

Reel Lyfe Recruiting

Price List

Job Posting - \$10 - Create job title and listing from description provided by employer. The position will then be posted to various search engines to compile candidates.

Candidate Filtering - \$25 - Filter through a list of candidates and their resumes in order to compile a list of viable candidates for the employer to view.

Interview Scheduling - \$15 - Coordinate with the employer the best times and dates for interviews, then set up interviews with the candidates chosen by the employer from the Candidate Filtering list provided beforehand. Virtual meetings (Zoom) are included.

****Pricing is based on services rendered and not subject to change****

****Hiring for the position is at the discretion of the employer****
